

# Greater Peninsula Swimming Association Invitational Meets

## Information for Participants

The GPSA has secured the rights to use the Hampton Virginia Aquaplex for our Invitational Meets.

There will be **limited** on-site parking available in the pool parking lot. Overflow parking is available within walking distance at the Hampton Coliseum and Convention Center. Handicap parking is available in the pool parking lot. Park only in designated parking spaces. Parking next to a curb at the Aquaplex parking lot could result in ticketing and/or towing of the vehicle. Cars may unload in designated areas only.

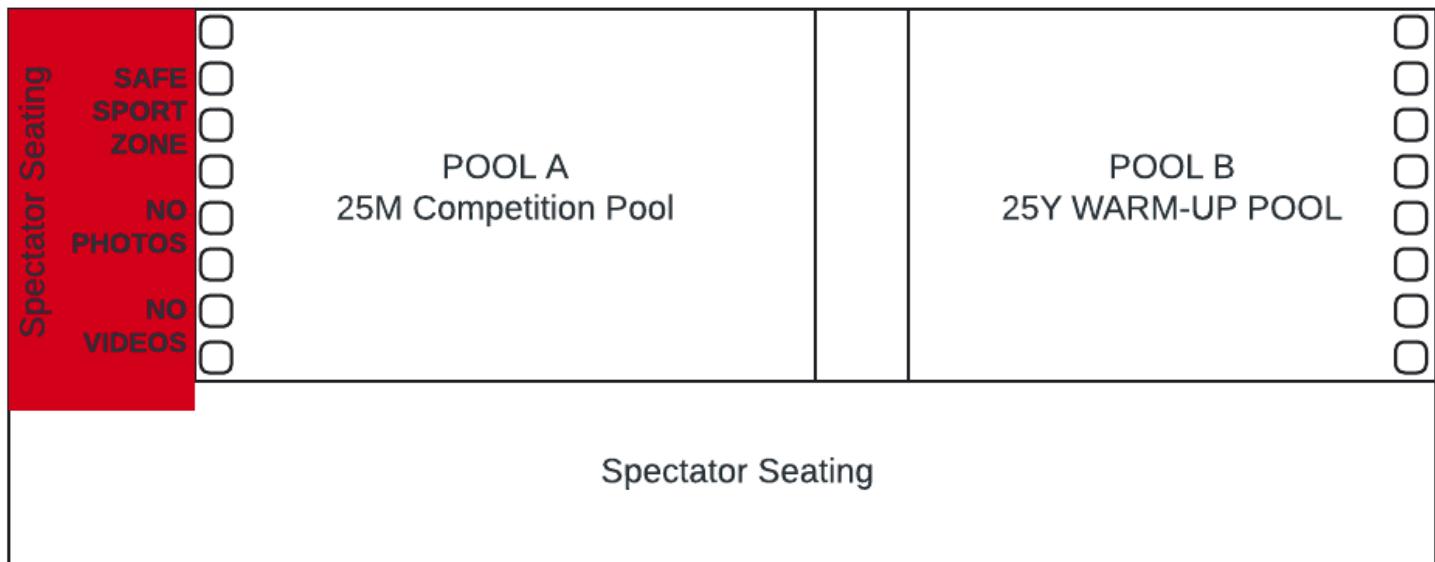

**Parking will be a challenge as space is limited, please work with your team to carpool as much as possible to help everyone have an enjoyable day.**

Access to the pool deck will be strictly controlled. Only coaches, officials, swimmers, and meet volunteers will be permitted on the pool deck. Seating for spectators is available in the 1,500 seat above deck seating area.

No personal chairs are permitted inside the facility. Spectators are encouraged to come and watch their swimmer(s) and then return to the team area.

Spectators shall not approach the pool deck or any meet official to determine lane and event placement for a swimmer. This information can be obtained from a coach, via the SwimTopia Mobile App, or viewing the published Heat Sheet on the GPSA website. Any spectator concerns should be made to their respective GPSA Representative.

The 1,500 person elevated spectator viewing area is available on a first-come first-served basis. Teams are not to try and reserve large sections. Please be respectful of all persons in attendance at the meet.

Spectators are encouraged to take photos / videos during the course of the meet. However, absolutely **NO PHOTOS or VIDEOS may be taken from behind the starting blocks**. This rule will be strictly enforced by both meet staff and officials on deck and in the spectator area behind the blocks. Any spectator who is found violating this rule will be asked to stop immediately and to delete the offending photos/videos. Refusal to comply with these requests will result in the offender being banned from the meet and potentially suspended/banned from future GPSA meets. Section XIV.J.1.d.1 of the GPSA Rules for Interpool Meets regarding suspended/banned individuals shall be enforced.
